6. Bread breaking by all - Brothers and sisters of Confirmation and Youth are to take turns in testifying about the following
 - a) How they understood the teachings from the teachings of Fathers they've just received from the service. Particularly Romans 12:1-2. Does this find a place in you? And how?
 - b) What does it mean to you to be a true discipleship of Jesus Christ. What do you need to change in your life in order to be a true disciple of Jesus (It must be personal not generic)
 - c) What does this mean to you that – “ Jesus is MY King”

NB – Depending on the number of people, each person must not take more than 5 minute. This is to afford everyone an opportunity to do bread breaking as well. The Fathers of the area will control this according to their discretion

To the Congregation and the Children , the intention is not to preach to others but to reflect on the gospel (internalize it) and how you understand it in terms of application in your own life
